CAPTION

SALE OF PORTION OF CITY PARK LAND TO SCHOOL DISTRICT

QUESTION

Shall the City sell 1.6 acres of Sunset Park to the West Linn/Wilsonville School District for \$483,000?

SUMMARY

This measure, if approved, would allow the sale of 1.6 acres of Sunset Park to the West Linn/Wilsonville School District for the amount of \$483,000. The School District has indicated that Sunset Primary School needs to be replaced soon and that it's the District's desire to maintain the school at its current location, provided that the School District's property in this location can be expanded. The City-owned Sunset Park property is adjacent to Sunset Primary School. Agreeing to sell a portion of Sunset Park to the School District would provide sufficient land to allow the District to keep Sunset Primary School in this location. The West Linn Charter requires that the sale of any park property be approved by a vote of the community. If this sale is approved by the voters, the City would commit to using the proceeds from the sale of this property for acquiring or developing parks for the use of the West Linn community.

Section 9: If a majority of those voting on the measure vote "yes," the City will sell a 1.6 acre portion of Sunset Park to the West Linn/Wilsonville School District.
